"B" teams are not a certainty and are established based on the number of available players and coaches after the "A" teams have been selected. **Selection of a child to a team is not guaranteed.** Parents and children are agreeing to participate on the team he/she is selected by the managers of each division. Players whom apply and do not agree to play after selection must be approved for All-Star play in subsequent years by writing to the Baseball Board with an explanation.

Practices will begin on or about Wednesday, May 9, 2018. All-Star teams typically practice 4-5 times per week leading up to the tournament schedule. The All-Star season runs through the completion of Cal Ripken/Babe Ruth Tournament play. ALL-STAR SELECTION PROCESS

Mission

To produce the most unbiased effort in selecting the highest quality All-Star teams in each age division to best represent Palm Beach Gardens Babe Ruth Baseball.

- 1) Players asked to apply and agree to play on the team on which they have been selected. Players whom apply and do not agree to play after team selection must be approved to play in subsequent years by writing to the Baseball Board with explanation.**
- 2) League Director's compose a list of all players who apply and submit this list with evaluation criteria to each manager of the league. Managers prior to player selection have the opportunity to evaluate all players who have applied for the team. Both previous all star players and newly interested players are equally evaluated during the regular season games.**
- 3) League Managers convene and together select players for all stars. Leagues with an opportunity for A and B teams will have players slotted accordingly. Knowledge of the player's rankings will be determined by ballot and be known only to the League Director or assisting Board Member until the appropriate time to announce.**
- 4) "A" All-Star teams will be rostered with the top ten vote getters. Upon manager selection he/she will be allowed to look at the remaining applicants and chose no less than two and no more than five additional players. Roster size will be no less than 12 and no more than 15 players. Upon these selections the players will be notified of their selection. Should any player not chose to play the A manager will again fill his/her roster from the remaining applicants prior to the formation of a B team.**
- 5) Upon completion of this process the "B" team manager will then receive notification of the remaining players selected by the league managers. This manager will also have the opportunity to select up to but no more than 5 additional players.**
- 6) There will be no try-outs scheduled for the All-Star selection process.**
- 7) Any applicant selected to participate in the All-Star program will be required to pay a \$250.00 registration fee. Registration fee is due at first practice prior to uniform order being placed.**
