Health and Safety

All participant's Parents or Guardian are required to sign the PBGYAA Waiver and Release of Liability and the PBGYAA COVID-19 Acknowledgement and Waiver during the registration process.

Positive Coaching and Parenting

This is a Recreation Soccer Program, the Palm Beach Gardens Youth Athletic Association expects all parents to behave in an appropriate and positive manner to all players, referees and other parents.

Inappropriate behavior or negative cheering is not tolerated, and can cause removal of a parent's right to attend training and/or games.

Player Code of Conduct

The Palm Beach Gardens Youth Athletic Association expects all participants to be respectful to all players, coaches, referees, and parents. All parents and coaches are expected to encourage good sportsmanship and inclusion.

Inappropriate behavior is not tolerated and can cause removal of a player's right to attend training and/or games.

As part of the registration for your child's participation you agreed that each participant, parent, and volunteer would abide by the PBGYAA Code of Conduct and the disciplinary guidelines related to it.

To ensure everyone understands the rules, please see attached to this email a copy of the PBGYAA Code of Conduct..

Coaches and other Volunteers

The entire PBGYAA Predators Recreation Soccer program is run by volunteers, including the coaches. Coaches come in all forms, parents, family members, community members that love soccer, and previous players in our programs.

We take all of our children's health and safety as our first priority.

Every volunteer is required to do a background check for the City of Palm Beach Gardens, and also for the Florida Youth Soccer Association (FYSA). In addition, each Coach is required to complete a concussion training video through FYSA as well as SafeSport training, that seeks to create a healthy, supportive environment for all participants.

Once these requirements are completed and validated, we are able to provide each coach their "badge" that you will see them wearing during games while they are on the fields. A temporary badge from the concession stand will be available to those coaches who have completed all of the requirements but don't happen to have it that day. A driver's license is required to receive a temporary badge.

Coaches/volunteers are not allowed on the player sideline without a badge. Parents are not allowed on the player sideline, unless it is an emergency.

We are also always in need of other volunteers to help! Please email soccer@pbgyaa.com to provide your contact information.

The player draft is facilitated by Soccer Board members to ensure there is an equitable distribution of all skill level players on each team.

Please note that for any coach that has a child playing in the Spring Recreation program, this player will automatically be added to their team. Also, for any siblings that play in the same age group, they will be drafted to the same team unless the parent requests otherwise.

After the completion of the drafts for each age group, teams will be allocated in Blue Sombrero and each parent will receive an email notification of the team their child(ren) will be playing on, along with the Coaches name and contact information.

Team Information

After the notification of what team each child will be playing on, the Coach will be communicating with all parents to introduce themselves and provide additional information regarding the practice schedule and expectations for the season.

It is appreciated if there are one or two parents willing to help the coach and coordinate the other activities for the team such as picture day, snacks, etc.

Team Practice

Practice will start, Saturday Feb 11th - The team practice schedule will start Sat, Feb 11th and will continue until Feb 27th. Each team is allocated field space for three practices a week, two weekday evenings practice and also a practice on Saturday.

Once games start, it will be at the discretion of the Coach if they choose to have additional practices or not for their team.

Team Uniforms and Soccer Balls

Each player is provided a soccer ball at the first practice. Please be sure to put your child's name on it to ensure if it is left at the fields it can be returned to you.

Uniforms will be handed out before Opening day and will only be given to the coach.

The uniform kit consists of a jersey, shorts, and socks. A range of sizes are provided to help fit the players as best as possible. We do not take any number requests and please email us if you have uniform issues.
